*Seton Healthcare Family*

UAN: 0156-9999-18-092-L01-P & 0156-9999-18-092-L01-T

Credit Hours: 1.0 (0.1 CEUs)

Type: Knowledge-based

Fee: Free for AASHP members

Intended Audience: This event was designed specifically for pharmacists and pharmacy technicians.

*At the completion of this activity, the pharmacist participant will be able to:*

- Describe pathogens, clinical presentation, and diagnosis of complicated and nosocomial urinary tract infections (UTI).
- Differentiate catheter-associated urinary tract infection (CAUTI) and colonization.
- Compare treatment options and durations for complicated UTI with and without bacteremia.
- Discuss appropriate strategies for the treatment of candiduria.

*At the completion of this activity, the technician participant will be able to:*

- Describe signs/symptoms and diagnosis of complicated urinary tract infection (UTI).
- Define catheter-associated urinary tract infection (CAUTI).
- List antibiotics utilized in the treatment of complicated UTI with and without bacteremia.
- Identify appropriate treatment options for patients with candiduria.

*The speaker does not have conflicts of interest, nor does she have financial relationships with a commercial interest related to the respective presentation.*

The Texas Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This continuing professional education program provides 1.0 contact hour (0.1 CEUs) of continuing pharmacy education. Credit for these programs must be claimed via the TSHP Education Portal (<http://tshp.wcea.education/>) no later than Sunday, June 10, 2018.

In order to obtain this continuing education, the following requirements must be met:

- A live event "secret code" will be provided during the session, you must retain this code and the session Universal Activity Number (UAN) to claim your credit.
- A session evaluation must be completed through the online portal for credit to be issued.
- Access to an Internet enabled computer is required.
- Accurate NABP profile information is required for successful credit submission, visit [www.nabp.net](http://www.nabp.net) to learn more or obtain your NABP ePID.
- It is the responsibility of the participant to ensure credit has been successfully transferred to their NABP Profiles. TSHP is not responsible for loss of credit to participants that do not ensure credit issuance through their NABP Profiles by Sunday, June 10, 2018.
- CPE Learners may contact TSHP through e-mail at [tshp@tshp.org](mailto:tshp@tshp.org).
